The future is you

“

At Shafston, we focus on helping students improve their English in a friendly and supportive environment. I am thrilled to welcome students from all around the world to an exciting journey of language learning and cultural discovery. Our experienced teachers use fun and effective methods to help each student succeed, whether they are learning English for school, work, or travel. We aim to make learning enjoyable and help students feel confident in their language skills.

”

As one of Australia's leading ELICOS providers and one of the top ten language schools in the world, Shafston is renowned for delivering quality education to our students and alumni.

With dedicated teachers and staff, a unique, heritage-listed city campus by the river and academic integrity, Shafston gives you the ideal platform to succeed at high school and beyond.

Shafston International College has been operating since 1996, and for the last 30 years, we've provided world-class international education to an excess of 120,000 students and counting from over 100 countries.

The aim of the Shafston for Schools program is to prepare students with the necessary English language skills and confidence to pathway and complete their secondary schooling in an Australian high school, or in another English-speaking country.

At Shafston, you will gain skills and knowledge that will not only help you excel in your English language capability but in your future High School. Study and make friends, and become part of Shafston's diverse and creative community.

We look forward to seeing you soon at Shafston.

Testimonials

I feel very happy to study at Shafston because the teachers here are very friendly to me. I enjoy the pretty campus river view at Shafston. Every Friday, we have sports activities where I can play volleyball and badminton with my classmates. I have made many friends from different nationalities here.

Xurui LIU

I think Shafston is a great college. My teachers are very friendly. If I have any study troubles during the class, they will help me step by step to understand the knowledge smoothly. My classmates are from different nationalities. I was very nervous about this on the first day when I arrived. But after 2 weeks, I had made friends with my new classmates.

Martin BELLO TORRES

I started to study at Shafston in 2022 for 6 months and I have enrolled in Calamvale Community College successfully as a Grade 10 student. There are a lot of exams and assignments in high school and it is difficult for international students to learn a new language. Shafston HSP program with doing English tests and using English textbooks is so helpful for me to adjust to high school courses.

Study tour - Immersion

Study tour - Research

Lifelong memories.

1. Signature

The Shafston Signature Study Tour provides a complete service for schools and groups visiting Australia. Whether you are a school, travel agency, or education institution, we tailor each program to meet your specific needs. Focused on both student experience and learning outcomes, our tours offer students an unforgettable journey abroad while giving organisers the confidence of a smooth and worry-free program.

Key Features:

- › **Tailored Itinerary:** We design your program from start to finish, including arrival/departure schedules, accommodation (homestay, hotel, etc.), and special events.
- › **Flexible Learning:** Choose from English classes, school discovery tours, or exam preparation.
- › **Enriching Activities:** A mix of educational visits, city tours, sports, and workshops.
- › **Dedicated Support:** A Tour Coordinator manages everything for a smooth, worry-free experience.

Program Steps:

- › Decide Dates & Duration

2. Immersion

Shafston has built strong partnerships with leading Australian primary and secondary schools to deliver high-quality education and comprehensive support. Through our immersion programs, students participate in real English classrooms, learning side by side with Australian and international peers. This experience not only strengthens language skills but also deepens cultural understanding and creates lifelong friendships. Students enhance their English proficiency while gaining valuable insight into Australia’s unique educational culture, laying a strong foundation for future study and life.

Program Options:

- › **Australian School Immersion:** Study the local school curriculum.
- › **Shafston in School:** Join a School Preparation Course within a partner school.
- › **School Gateway:** Start with ESL at Shafston, then experience a local school.
- › **Shafston Exchange:** Immerse for one full school term.

3. Research

Shafston has designed specialised programs for students who wish to use overseas study tours or short-term experience to strengthen their academic profile, broaden their knowledge, and prepare for future career pathways.

University Exploration

This program takes students on in-depth visits to Australia's leading universities, including the University of Sydney, UNSW, UTS, the University of Queensland, Griffith University, and Bond University. Through this program, students will:

- › Explore a wide range of disciplines and gain valuable insights to support future study-abroad decisions and career planning.
- › Experience real learning in a university environment and have the opportunity to earn a certificate of completion from university courses.
- › Build tangible achievements that will strengthen future university applications and enhance academic development.

Shafston Research

In partnership with leading universities, Shafston has developed a research-based program tailored for junior students. Before departure, students are assigned a themed research project to begin their exploration. Upon arrival in Australia, Shafston provides subject-specific courses and experiential activities related to their chosen theme. The program concludes with a university-led workshop, where students present their findings and complete their research project.

Upon successful completion, students receive both a Shafston Research Certificate and a University Certificate of Completion, adding significant value to future applications for international schools, overseas high schools, and universities.

Overseas Internship Program

Shafston offers students the opportunity to gain valuable overseas internship experience. Each student begins with a 4-week personalised training program, designed to develop Australian and international workplace skills according to their English proficiency and academic background.

Following this preparation, students undertake an 8-week internship placement aligned with their background and interests, providing authentic workplace exposure and professional growth.

This program is available for individual students only.

BRISBANE & GOLD COAST

Homestay

Living with a local host family offers you a unique way to experience the Australian multicultural lifestyle and culture, while you practise English.

In fact, living with a homestay family will help you with more than just the English language. You will learn about life & customs, the local coffee shops, restaurants, and fun activities that Brisbane and the Gold Coast have to offer. No one knows these things better than a local!

Staying with an Aussie family is the best way to learn about the community that you will be joining so that you can go out and discover life here with confidence.

We have an on-campus Homestay Department to assist students with settling into their 'home' in Australia. With hundreds of homestay families hosting Shafston students, we are able to meet just about any request, and help you if any problems may arise.
